## CHAIRPERSON'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

It gives me great pleasure to provide an insight into the position of our Club for the year ended 31 December 2021.

To suggest that this year was an extraordinary one in our Club's history would be an understatement. The Club's Operating Profit for the year was \$379401 which represents an increase of \$80480 over the previous year. Of this amount Job Saver Subsidies amounted to \$23304 and Grants from Service NSW amounted to \$15000. This result is of more significance in that we continued to have trade affected by Covid restrictions and the end of the Kitchen rental during August 2021. On this very point I would like to sincerely thank the contributions made by our General Manager and Saki in continuing the Kitchen operation to benefit patrons to the Club. It further reflects the diversity we have in such wonderful employees.

Another Employee who deserves special mention is Ian Brugnoli who is responsible for IT matters, marketing and Functions. Through his efforts our income stream from functions has witnessed a substantial increase. Additionally, his work on providing detail for our new POS system should be congratulated. Ian has not hesitated when asked to fulfill numerous other duties by our General Manager.

I have no doubt that the profit we achieved this year represents a record for the Club especially over the last ten years and one which must be admired. We have been approached by other Clubs within our region to enquire as to what model by which we operate. The financial position of our Club has permitted major repairs and maintenance to be undertaken and has further permitted a strong base to work from to continue these repairs and provide an excellent continuance of our Capex Budget. In this regard your Board is about to review costings for the replacement of the Bowls Pavilion which would represent our next major cost.

At the AGM held in May 2021 Tamsin Baker was re-elected President. The following Directors were re-elected:

Ian Rae (Tennis)

Ashley Pienaar (House)

Martyn Hann (Men's Bowls)

James Rowland (Tennis)

Shannon Gillespie was elected to the Board (House)

Beverly Piper (Ladies Bowls)

During the year our President and Ashley Pienaar resigned their positions effective from 27 October 2021. I would like to take this opportunity to thank both Tamsin and Ashley for their major contributions during their respective terms as Board Members and wish them well for their future endeavours.

Sharyn Eaton was appointed a Casual Vacancy to the Board on 1 November 2021 and brings a wealth of experience in matters of Compliance and Strategic operations.

I would like to thank Glen Jackson for his contribution again this year for his major contribution as Tennis Director. Our Tennis income increased to \$736170 which represents a substantial contribution to our Club's financial position. Given that we only have four courts for the Tennis operation it is a reflection of his professional acumen together with the coaches to achieve this result. Our sincere gratitude to all involved. The content contained in the attached Sporting Reports speak for themselves however a special mention should be made of our Club Member of the year in Virginia Ware. Virginia has spent hours upon hours contributing her free time in supporting Club functions for which she must be commended. I cannot think of a more appropriate member to receive this award.

The results of our Club for this year reflect the hard work and dedication that was exercised by Peter Lewis and his staff and they are to be congratulated. It has been a difficult year again with Covid related and other matters and Peter has managed to overcome all that was placed in front of him. A measure of his success is an increase in the number of Patrons that we attract and repeat bookings from a Function point of view.

Finally, I wish to thank fellow Board Members for their tireless work and council during the year and you should be proud of your achievements.

Ian Rae

Chairperson

## GENERAL MANAGER AND SECRETARY'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

### Financials:

As many of you may be aware, I resigned from the NBC Board and started volunteering at the club in Jan 19 and consequently took on the GM role. After a decade of losses, The Club declared a loss of 218K with revenues of 1.7m in 2018; in 2019 we grew revenue to 2.0m and managed to break even despite significant carried forward debts. In 2020 turnover was 1.7m and we retained an operating profit of 290k (including ATO and Job keeper subsidies). Despite Covid closures and restrictions, in 2021 we returned an operating profit of \$379,401, with minimal ATO help, whilst increasing turnover to 2.0m.

These results, together with a healthy balance sheet enable the Board and I to be more strategic and forward-looking and will be proceeding with the extension of the ladies toilet area to include a new disabled bathroom in the near future, refurbish first floor change rooms and storage; engage in risk reduction/compliance strategies and formalise plans for a new two-story development of the bowls pavilion/tennis office.

Costs were closely managed throughout the year with a focus on food and beverage consumables; renegotiating a major contractual arrangement with Lion Brewery and reducing discounting, staffing and laundry costs. Our seven poker machine entitlements continue to be leased out to another venue for a further 4 years reducing holding costs but still ensuring a regular revenue stream.

### Operational investments/improvements:

We took advantage of lockdown periods to make significant infrastructure investments totalling \$180k:

- new LED lighting for the bowls green and all tennis courts.
- \*a new bar extension.
- new hardwood decking.
- new gates and panelling at the rear entrance and front delivery area.
- new raised deck section;
- \*\*new shades to south end of Bowling Green;
- painting of whole rear of the clubhouse, and
- new point of sale system and 3 new workstations in the bar.

\* Partially funded by a 25k donation from Geoff Bailey's estate

\*\* Partially funded by one of our Bowls members who wanted to remain anonymous

The NBC Tennis Operation had another successful year with court usage and participation at capacity for most of the year. We were able to keep trading with private lessons and court hire during the lockdown restrictions and managed to find a balance for members and public visitors.

The junior program remains strong; we had junior tournament winners as well as 4 high school tennis captains involved in some great tennis. We are also pleased to report that adult programs were at capacity, and it is great to see that impacting new tennis and house members.

Financially we had a strong year, and the tennis section continues to play a lead role in the revitalisation of the club.

Compliance in 2021 was dominated by Covid Public Health Orders and in most cases, we anticipated changes in advance by continually updating our Covid Safety Plan. Eight members of staff completed their First Aid Certification; three staff members completed Hygiene Supervision courses and our Liquor Licence was successfully extended in Nov 21 to include the new raised terrace area.

Marketing and communications improvements included a much-improved online presence (Google, Facebook, Twitter and Instagram) with a substantial increase in real followers, more website traffic and a subsequent increase in user engagement. Our strategic focus changed from primarily posting stock imagery to posting current photographs that were directly related to the club space, themes, events and usage.

**GENERAL MANAGER AND SECRETARY'S REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2021**

Google business reviews have been constant with an encouraging 4.5 Star review rating (Oaks 4.2, Greens 3.8, Mosman Rowers 4.0).

It's been a very challenging year with Covid management and compliance, which has shown us to be a very agile operation.

My sincere thanks for the support in 2021 to every member, NBC Board Members, sponsors, our local schools and community families and every staff member at the club for their contributions this year.

Sincerely

Peter Lewis

Net realisable value is determined on an item by item basis.

##### c) Property, Plant and Equipment (PPE)

Property, plant and equipment are included at cost of acquisition or at independent or Directors' fair valuation, less any impairment. These assets are depreciated, other than land, over their useful lives commencing from the time the asset is held ready for use, and adjusted for any impairment. The prime cost method (a straight-line basis) is used to depreciate non-current assets. The following depreciation rates are applied:

Tennis Courts	1.5% - 20.0%
Buildings	5.0% - 25%
Bowling Green	10.0%
Furniture, Plant and Equipment	7.5% - 50.0%
Computer Equipment	33.3%

Profits and losses on disposal of property, plant and equipment are taken into account in determining the operating result for the year. Additionally, impairment of property, plant and equipment is reviewed at least annually.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

#### d) Impairment of Assets

At the end of each reporting period, the entity assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

#### Revaluation

The Directors have adopted a policy of revaluation of land only, at a minimum of three (3) yearly intervals. The revaluation reflects a fair value, by independent assessment of the unimproved capital value (UCV) of land, based on existing or contemplated use, and takes into account market conditions and value levels at the time. The Directors have commissioned a valuation report by Cushman and Wakefield on 24 February 2021. The report provides a valuation of \$8,500,000 for the land.

#### e) Employee Provisions

Provision is made for the Club's liability for employee entitlements arising from services rendered by employees to balance date. The provisions for annual leave and long service leave (if applicable) have been calculated at nominal amounts based on current wage and salary rates, and include related costs in accordance with the various award requirements. The provision for long service leave is made on a pro-rata basis for all employees who have an excess of five years service.

Superannuation contributions are made by the Club to approved superannuation funds for all employees. The costs are charged as employee expenses as they are incurred. The Club has no legal obligation to cover any shortfall in the superannuation funds' obligations to provide benefits to employees on retirement.

#### f) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

#### g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### h) Income Tax

Income tax has not been provided for in the financial statements, as the Club is exempt from income tax as a sporting body under the provisions of Section 50-45 of the *Income Tax Assessment Act 1997*.

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021**

#### **i) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### **j) Trade and Other Payables**

Trade and other payables and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### **k) Critical Accounting Estimates and Judgements**

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

#### **l) Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

#### MEN'S BOWLING SECTION ANNUAL REPORT 2021

Office bearers for 2021 were as follows:

Chairman	Paul Maybury
Secretary	Martyn Hann
Committee	Keith Pogue Howard Jacobs
Selectors	Paul Maybury Keith Pogue Martyn Hann
Green Director	Paul Maybury

#### **Vale Joe O'Neill**

I must start this year's report by remembering our much loved member Joe O'Neill who passed away on 5<sup>th</sup> October 2021. Joe had been a member of NBC for many years and was a regular presence at both Wednesday and Saturday social bowls until very recently. Joe will be great missed by us all.

#### **Overview**

The Men's Bowls Section entered the 2021 season in something of a recovery and rebuilding mode after the loss of several experienced players at the end of 2019. The disruption caused by COVID-19 in 2020 meant that we had several newer members who had played few competitive matches especially on grass surfaces. Looking back, it is fair to consider the 2021 season as a success in many ways - in terms of results, new members into the Club, and crucially providing an important social opportunity to our members.

#### **New members**

It was great to welcome two new members to our regular Pennant team this year. Charlie Cassidy brought a wealth of experience having played for many years at St. Marys in Western Sydney – his experience was especially useful when we had to make changes to our team. It was also fantastic to see Connor Burgess bring a much needed injection of youth!

I'd also like to repeat last year's welcome of Howard Jacobs and Peter Hooper both of whom played a major role in our Pennant season having had this opportunity curtailed in 2020.

#### **Pennant season**

We once again entered a side in Grade 5 in 2021 and were drawn in what appeared to be a challenging section. The season got off to a great start with a comprehensive win at Newport and despite some disappointing results along the way we arrived at the final weekend needing to beat Belrose at NBC to win the section. On what was a great afternoon we did exactly that and progressed to the Zone finals. Sadly, we were brought back to earth in very difficult conditions and could not manage to win a match over the Finals weekend.

As I mentioned at the start of this report we have to look back on the season as a success and I believe none of us really believed we could make the finals given the very limited resources we have available.

I'd also like to mention here that over the course of the Pennant season the Selectors made a decision to bring some of our experienced Ladies into the team, ultimately leading to Jenny Hepburn skipping one of our sides in the Finals weekend. We acknowledge that this decision was not one that everyone agreed with. The decision was made, not lightly, to ensure we fielded the most competitive side possible and with a nod to the future of bowls becoming fully "open gender" in 2022.

#### **Club competitions and awards**

At the time of writing, due to the extended COVID-19 lockdown, all our Club competitions are still in progress and therefore the winners cannot be included. Similarly we are yet to hold our annual presentation evening so this year's award winners cannot be recorded.

### **OTHER REPORTS**

#### **Peter Russell Tournament**

Very sadly for the first time in 70 years we were unable to host the Peter Russell Tournament in 2021. Whilst the lockdown had been lifted by the time the Tournament would be held there was not enough time to organise the event and, like us, most other Clubs were also busy with their own competitions.

We will stage the event again in 2022 most likely at the end of October.

#### **Social bowls**

One positive that has come out of COVID has been the introduction of more organised mixed social bowls on Saturday mornings. We are regularly seeing the green full which has been great to see and both sections are committed to this continuing.

Wednesday afternoon social bowls also continue to be very popular and my thanks go to Bryan Besly and Keith Pogue for organising these sessions.

The lengthy lockdown brought home just how important our social bowls programme is for our members, especially those who live alone, and this vital provision must not be overlooked by the Club.

#### **Looking forward**

2022 will be a very different year for our Section. Most significantly due to a complete change in the Bowls NSW calendar there will be no Pennant competition in the usual timeslot. A men's only competition will be held in August with the main competition returning as open gender in March 2023.

Without doubt this means the year will lose the natural focus that Pennants brings and we will need to organise a number of other activities to ensure we remain engaged with members. Whether this is more internal competitions or matches against other Clubs is up for discussion.

Like most Bowls Sections we are also faced with an aging membership which means that recruiting new members must be a high priority both for the Section and the Club as a whole. We look forward to working with the Board and Club Management to explore opportunities for promoting competitive and social bowls to a much greater degree.

As Bowls finally moves to being truly mixed there are also discussions to be had regarding the future of both Sections at NBC. I believe we are moving in a very positive direction as evidenced by NBC entering a mixed team in a new competition organised by Women's Bowls NSW and the extremely popular mixed Saturday morning sessions.

#### **And finally**

A massive thank you to all members of the Committee for their work through a difficult year. In particular, the organisation needed for the Pennant finals weekend was significant.

We must also say thank you to the Ladies section for their incredible support throughout the year. It is important to acknowledge that without their help we would not have Umpires for our Pennant matches, which we must have. I know the co-operation between the two sections is only going to get stronger in 2022 as we move towards a full amalgamation.

### **OTHER REPORTS**

#### **WOMEN'S BOWLING SECTION ANNUAL REPORT 2021**

Despite Covid 19 causing the closure of our club for four months from June-October I am pleased to report that 2021 was a very successful year.

Unlike most bowling clubs our membership continues to climb to our record number of 33. Our club coach Jenny Palmer offers free coaching to all members and encourages other interested persons from the community to come down on Tuesday mornings and give bowls a go.

This year we were able to field three Pennant sides. Each of the sides performed well with Grades 1 and 2 being the runners up in their sections. Previously our Grade 1 side had won the District flag for an incredible 15 consecutive years so 2021 was unusual in more ways than the pandemic! There was also a mixed team who participated in an Under Five round robin competition with three other clubs in the district. This provided our newer members with valuable competition experience and understanding of the game. Nine members were selected to represent the District in the Jean McKinnon and Anita Linden event to be played against Manly Warringah District. The pandemic however prevented these matches from being played. Midori Matsuoka and Elizabeth Blackwell were members of a Fours team which won the prestigious State Carnival event.

Participation in District events by members of our club continues to be greater than that of other clubs. A team skipped by Jenny Hepburn won the Fours and went on to win the Regional play off. They will now play in the State Championships which have been delayed until 2022. Midori Matsuoka has also won her way through to the State Championships in the mixed pairs, teaming up with a North Sydney player. When our club reopened post lockdown our Match Committee did a superb job scheduling and co-ordinating matches to ensure that most events were completed by end of year. Our singles champion for 2021 was Midori Matsuoka, the Rupert trophy for club spirit was awarded to Jenny Hepburn and the Encouragement/ Most improved award went to Brenda Cook.

Our club enjoys a good relationship with the men's club and in recent months we have been playing mixed bowls on Saturday mornings. This has proved popular with both groups. Women continue to play social on Wednesday mornings. Now with the recent merger of NSW Women's Bowling Association and Royal NSW Bowling Association into one new entity our women's club will be commencing a process of amalgamation with our men's club.

In summarising the highlights of 2021 it would be remiss not to mention the social side of our club. Led by Virginia Ware, the Social Committee didn't miss a beat in celebrating birthdays and various other celebratory occasions. During lockdown there was an amazing outpouring of pastoral concern for each other that lifted spirits and highlighted the camaraderie that exists within the club.

Members are most grateful to Peter Lewis and staff for their generous support and appreciate too the support and leadership provided by the Board. As president I have the privilege to lead a very competent management committee who undertake their responsibilities quietly and without fanfare. I am very grateful to each of them.
